Writing Prompts

If you could do your schoolwork today on an island, sea, or continent, where would you go and why?	What would you leave in your will for 5 of the people you love the most?	Choose a natural disaster and make a list of 10 things to do to be prepared for it.	Describe one item of clothing you would like to receive as a present.	If you could do one thing to attract attention, what would it be? Describe this scene.
Describe a time you performed in front of an audience.	If you had to lose one of your five senses, which you rather lose? Explain.	Who is your best friend? Describe him or her.	Would you rather play baseball, basketball, volleyball, hockey, or soccer?	Is there a story behind how you were named? What is it?
If you had to move out of this country, what country would you move to? Why?	List ten questions you would like to ask Santa's elves.	What is one of the most fun things you and your family have done together?	Pick a current clothing trend and share your opinion on it.	December 18th is Bake Cookies Day. Describe your favorite cookie in detail.
Write a sincere compliment for a friend or family member.	How would someone learn what your favorite color is without being told?	If you could change one thing about the world, what would it be?	Next month, you can only eat your 5 favorite foods. Explain your choices.	Would you rather spend a day at the beach or at a pool? Why?
