

MARCH

Writing Prompts

If you fell from the sky with a parachute, where would you hope to land? Why?	Would you prefer living in a hot climate or a cold climate? Why?	Write a story about what a rock climber found inside a secret cave.	What is your favorite mode of transportation? Why?	Describe a dream your dog might have when he is sleeping.
If you could lift and bring home one heavy object, what would it be? What would you do with it?	Describe the leprechaun trap you would build if you wanted a pot of gold.	Imagine what might happen if a mouse became the substitute teacher for a class of tiger cubs.	If you were to write a book, what would it be about?	A stranger hands you a \$100 bill and tells you to do a good deed with it. What do you do?
Would you rather go without books or video games for a month?	Who was your favorite coach, teacher, scout leader, or Sunday school teacher? Why?	When things feel scary or uncertain, where do you go for comfort or security?	Whom do you admire the most? Explain the 3 best qualities this person has.	You found a lucky clover that will grant 4 wishes for other people. List your wishes.
Would you rather have to sit all day outside or stand all day inside? Explain.	What is something you did recently for the very first time? Write about it.	Describe something you would do if you knew you couldn't possibly fail.	Many kids have a special blanket or stuffed animal they can't sleep without. Did/Do you?	Would you rather be able to only whisper or only yell?
